The starting point all achievements is DESIRE
LL.B

LL.B at Aryans College of Law is a three years course with six semesters approved by Bar Council of India, New Delhi and affiliated to Punjab University, Patiala. The College admits students in LLB, through Punjab Government counseling. This course is open for admission to the students who have passed Graduation in any faculty as per prescribed eligibility conditions. The students of LLB are trained in practical work by engaging them to organize in villages free legal aid camps, moot courts and attaching them with practicing lawyers. The visits to the courts to watch the court proceedings in action are an integral part of their syllabi. The major areas of thrust in research are Criminal Law, Constitutional Law, International Law, Business Law and Family Law. To keep pace with the present times the syllabi are continuously being updated and new areas like Human Rights, Environmental Law, Cyber Law and Intellectual Property Law have been included for studies. Apart from practising law, the outgoing students opt for administrative services and judicial services. Some of them join multinational companies as legal advisors/consultants. 

Eligibility

Graduation/Post Graduation (in any stream) with 45% and 40% in case of SC/ST.

BA-LL.B

BA-LL.B at Aryans College of Law is a five years full-time course with ten semesters approved by Bar Council of India, New Delhi and affiliated to Punjab University, Patiala. The College admits students in BA-LLB through Punjab Government counseling. This course is open for admission to the students who have passed 10+2 examination, as per prescribed eligibility condition. The curriculum of the BA-LL.B Course includes both practical as well as theory sessions. On top of this, they will also have to attend the court at times. The best thing about this course is that they will be getting a dual degree in Arts and Law, that too within 5 years. On the conclusion of studies, students can either go for advanced studies or start their practice under a senior advocate. They can also join as advisers with firms. The students of BA-LL.B are trained in practical work by engaging them to organize in villages free legal aid camps, moot courts and attaching them with practicing lawyers. The visits to the courts to watch the court proceedings in action is an integral part of their syllabi. The major areas of thrust in research are Environment Law, Administrative Law, Jurisprudence, Principles of Taxation, Company Law.

Eligibility

10+2 (in any stream) with 45% marks and 40% in case of SC/ST and Physically handicapped.

Career Prospects

8. A Variety of Specialist Teachers including English, Music, Special, Needs Reading Recovery, Librarian etc.
9. Regular School Assemble That Celebrate The Academic, Sporting and Social Achievements of Students & Provide opportunities For Students Performance.
EDUCATION + ENTERTAINMENT = EDUTAINMENT

To promote ‘Edutainment’ in the B-School and to make the students familiar with the practical aspects of management through movies, we organize a ‘Movie week’ at the college campus. During this week, movies like ‘Corporate, Lagaan, Chak De India, Iqbal, Swades, Guru, Lakshya and Taare Zameen Par, Jolly LL.B, Holiday’ etc are screened. These films have been taken up as case studies through which Management, Engineering, Nursing etc students study various aspects of management which can help them to be good and effective leaders in the future.

These movies would help to understand concepts like strategy, motivation, determination, ambition, time management, stress management, will power, resistance and change management, goal achievement, team management, role of seniors, focus, talent management, organizational goal versus individual goals, sacrifice and win, human capital management, business rivalry, inner driven leadership, delegation and empowerment, facing challenges, crisis management, balancing roles, mission accomplishment and killing instincts etc. The visual aids always have more impact on the young minds, so the students would effectively learn the management concepts from the films.
